# 대구대학교 대학원 발전전략 및 비전

## 대학원 비전

- 21세기의 새 주역
- 창조적 변화를 선도하는 젊은 대학원
- 만민복지를 구현하는 큰 대학원
- 지역사회와 함께하는 열린 대학원

## 대학원 발전목표

- 국내 최고수준의 종합복지 대학원으로 비상(장기)
- 대구·경북지역의 최상위 수준의 대학원(중기)
- 특성화 정책에 입각한 자립기반 구축(단기)

## 경영목표

- 능동적이고 수요자 중심의 학사경영
- 전문적이고 효율적인 행정시스템 구축
- 건실한 재정 확보 및 합리적 운용

## 발전전략

- 교육과정의 획기적 개편을 통한 대학원 교육 내실화의 연구력 강화
- 경영 및 행정 혁신·내실 있는 특성화 정착
- 소수정예와 24시간 연구 여건의 조성

## 특성화목표

- 특성화분야의 전국 최고 수준 조기도달 및 유지
- 연속 특성화의 기반 확립과 역량 극대화

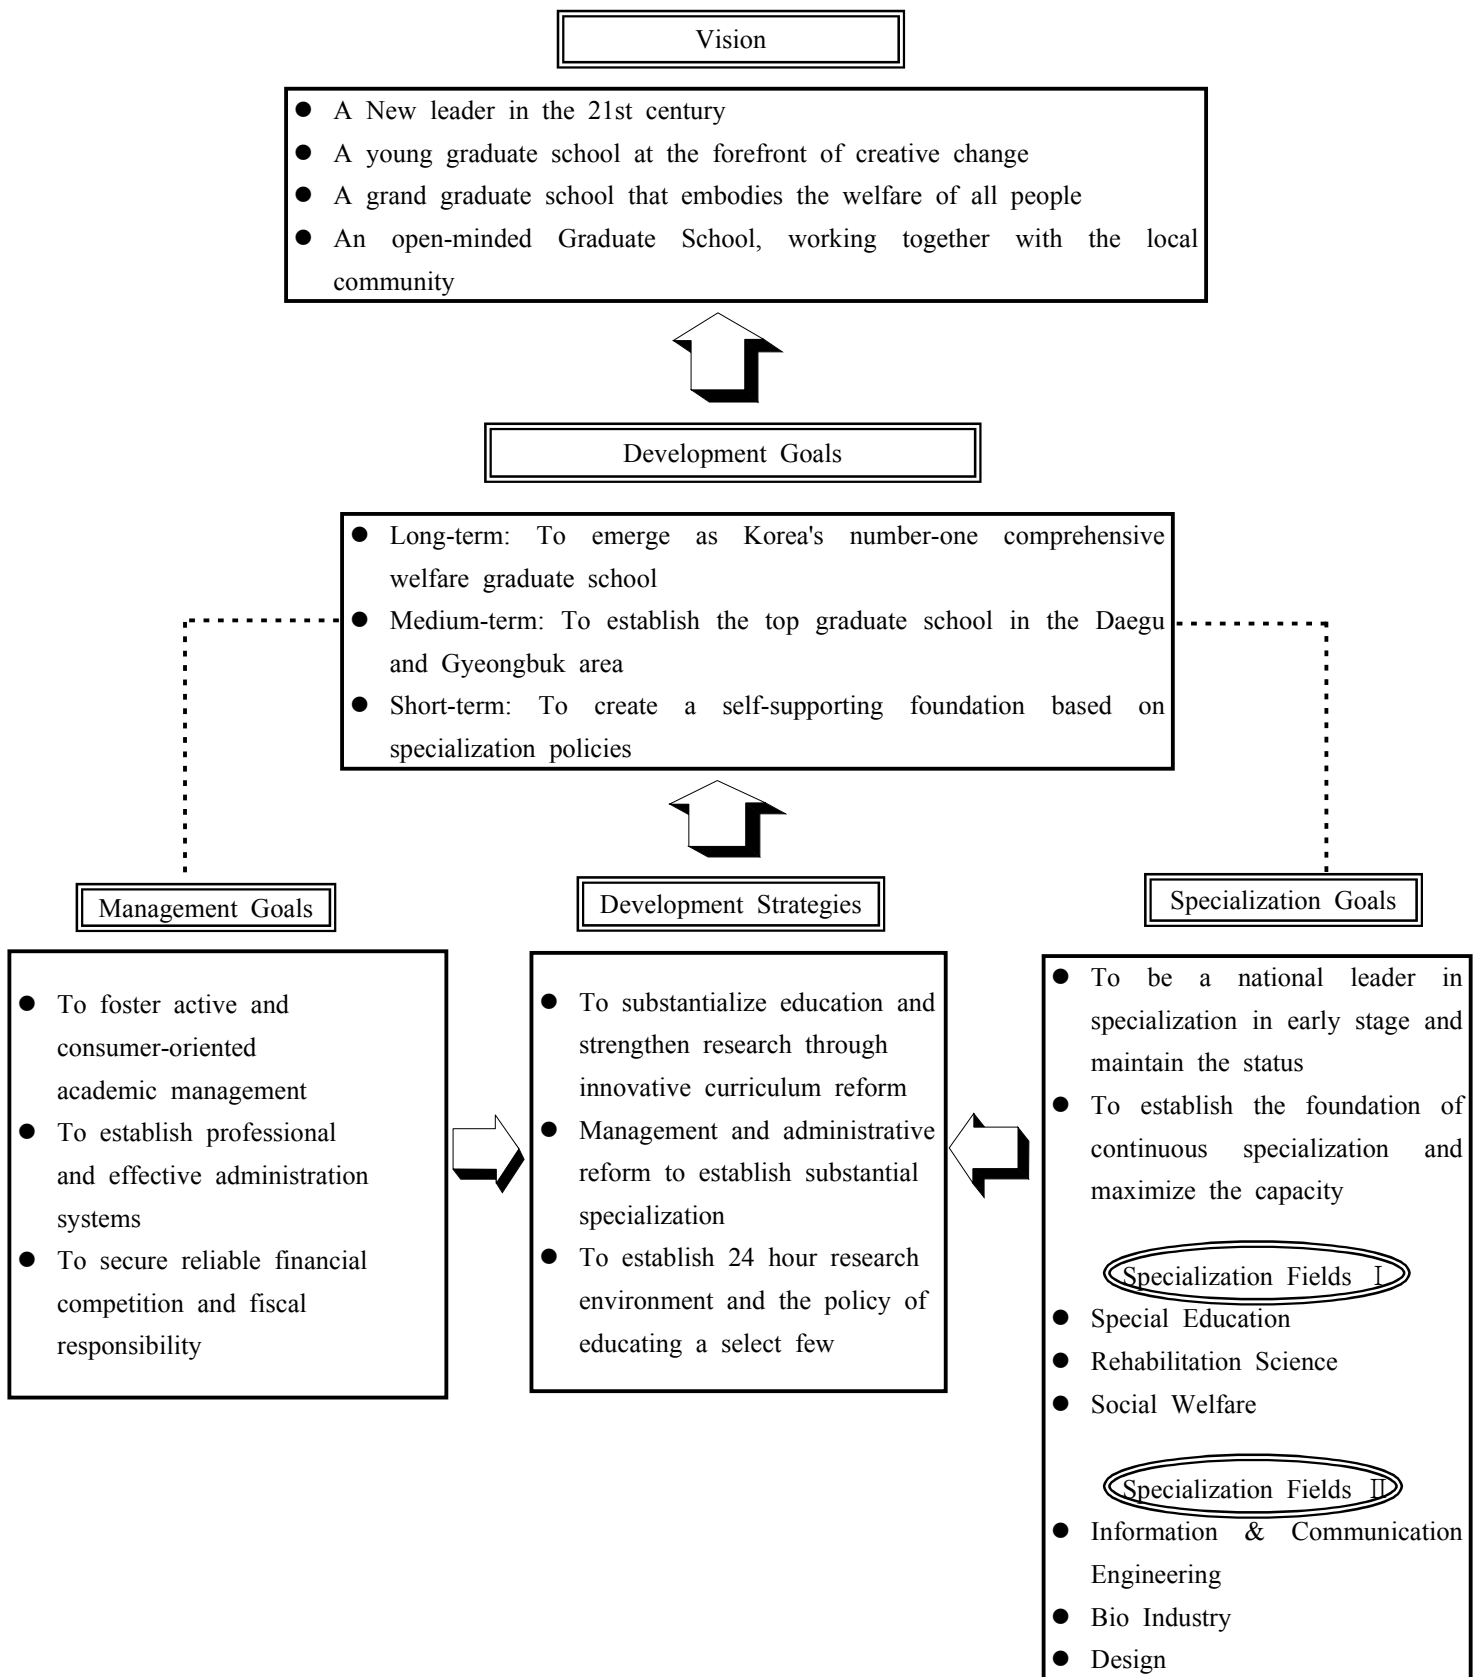

### 특성화분야

- 특수교육
- 재활과학분야
- 사회복지분야

### 준특성화분야

- 정보통신분야
- 생물산업분야
- 디자인분야

# Daegu University Graduate School's Development Strategies and Vision

## Required Documents for New Students

### 1. Required Documents

- A copy of the diploma from the school the applicant most recently attended
  - Applicable only to those applicants who submitted proof of expected graduation during the admissions process)
- "Transfer Credit Application for Supplementary Unit Credits" form
  - Applicable only to those applicants whose undergraduate or master's majors are different from current majors or;
  - Applicable only to graduates of special graduate schools
- \* "Transfer Credit Application for Supplementary Unit Credits" form should be completed as instructed by the head of your department. In addition, your "Transfer Credit Application for Supplementary Unit Credits" form must be accompanied by official transcripts. For incoming master degree students, official undergraduate transcripts are required and for incoming doctoral degree students, official master degree transcripts are required.
- \* The "Transfer Credit Application for Supplementary Unit Credits" form can be found on the last page of this information guidebook or on the Graduate School homepage under "resources (자료실)."

### 2. Submission Period: Tuesday March 2, 2010 - Friday March 5, 2010

### 3. Please submit to:

Graduate School Administration Office (11th Floor of the Main administrative building)

## Course Registration Information

### 1. Course Registration Period and Location for new students

#### A. Registration Period: March 2(Tue) - March 4(Thu), 2010

B. Student ID number confirmation: Daegu University Homepage (www.daegu.ac.kr), "종합정보시스템 (Comprehensive Information System)" (top right-hand corner) → "ID찾기(ID Search)" → Input Name/Registration number, Select Graduate School → click the appropriate result

♣ Student ID numbers can be checked beginning **February 26(Fri), 2009**.

♣ The default password for your account is the final seven digits of your Alien registration number. It is highly recommended that you change your password at your first login. To change your password: click "password변경 (Password Change)" → "ID 입력 (Input Student ID number)" → "현재 비밀번호입력 (Input current password that is final 7 digits of your Alien registration number)" → "확인 (Confirm)" → "새비밀번호 (Input your new password)" → "새비밀번호 확인 (Reenter your new password)" → "확인 (Confirm)"

#### C. Course Registration Location

(1) On-campus: Graduate School Seminar Room (11th Floor of the Main administrative building) or Computer labs at each department

D. Online time-table confirmation: Connect to the "종합정보시스템 (Comprehensive Information System)" → Click "강의시간표 (Lecture Time-table)" → Select the appropriate major and department → Review time-table(s)

### 2. The maximum credits to take per semester

Degree	Supervised Individual Study (Thesis supervision)	Required + Major	Supplementary subjects (units)	Other
Master	1 credit (registration available beginning in the third semester)	9 credits	6 credits	
Doctoral	2 credits	9 credits	6 credits	

(registration available in the third semester)
--

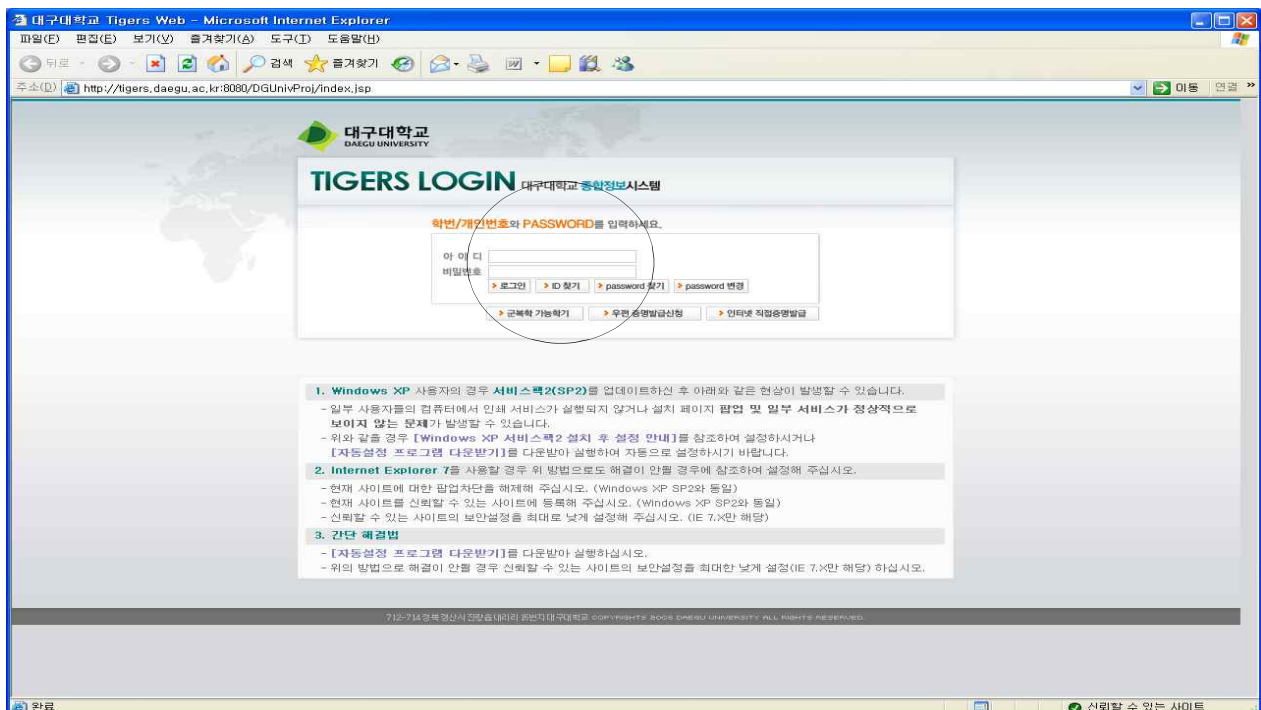

- \* **Minimum credits to complete one's coursework**  
 Master's degree: 24 credits / Doctoral degree: 36 credits  
 ▶ Students whose undergraduate or master's majors are different from current majors must take additional 9 credits for master's degree program and 18 credits for doctoral degree program.
- \* **If credits from the Supervised Individual Study are not obtained, you cannot complete your coursework.**

### 3. Course Registration Procedure

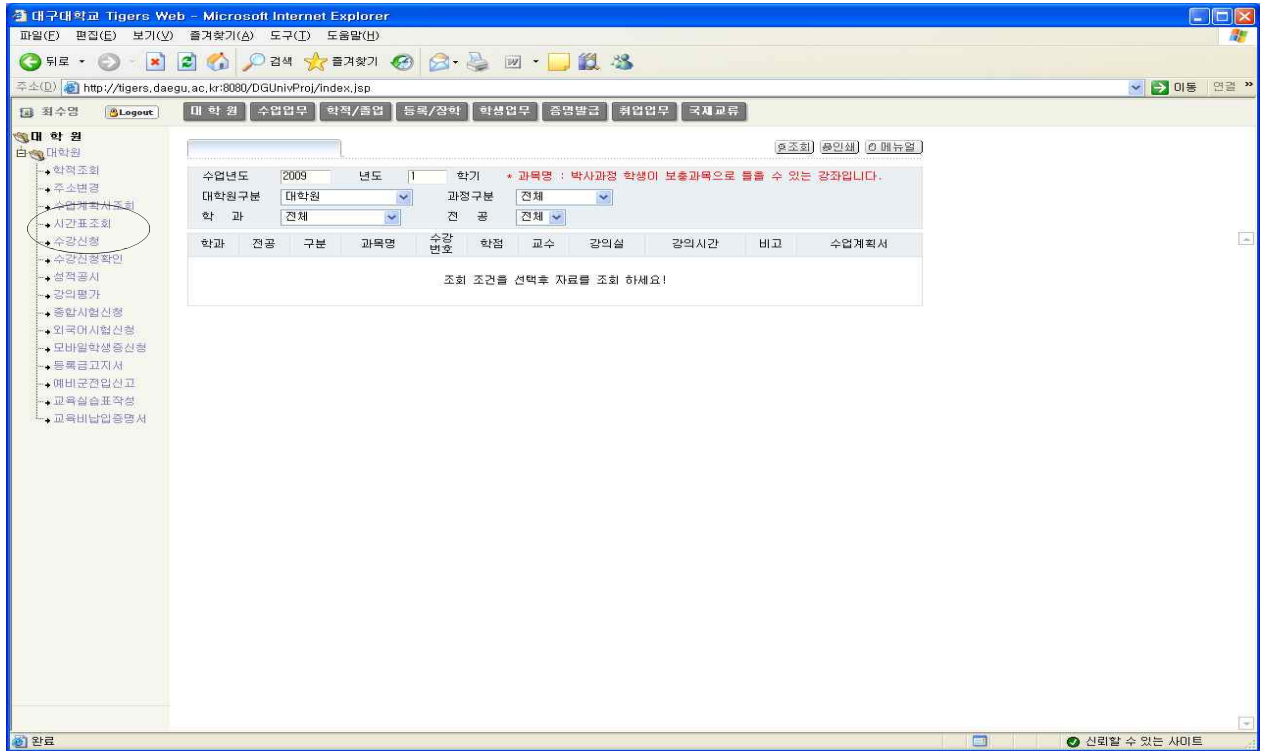

Daegu University Homepage (www.daegu.ac.kr) → "종합정보시스템 (Comprehensive Information System)" → Input User ID/Password → "대학원 (Graduate School)" → Locate the appropriate lecture number on the timetable → Register by either dragging the relevant lecture to your timetable or inputting the lecture number directly

(Figure 1) Daegu University Homepage (www.daegu.ac.kr) - Click on "종합정보시스템 (Comprehensive Information System)" (top right-hand corner)

(Figure 2) Input "아이디 (student ID number)" and "비밀번호 (password; default password is final 7 digits of your alien registration number)" → Click on "로그인 (Login)"

(Figure 3) Click on "대 학 원 (Graduate school)" (first gray button) → Click "시간표 조회 (Timetable inquiry)" that is on the left submenus.

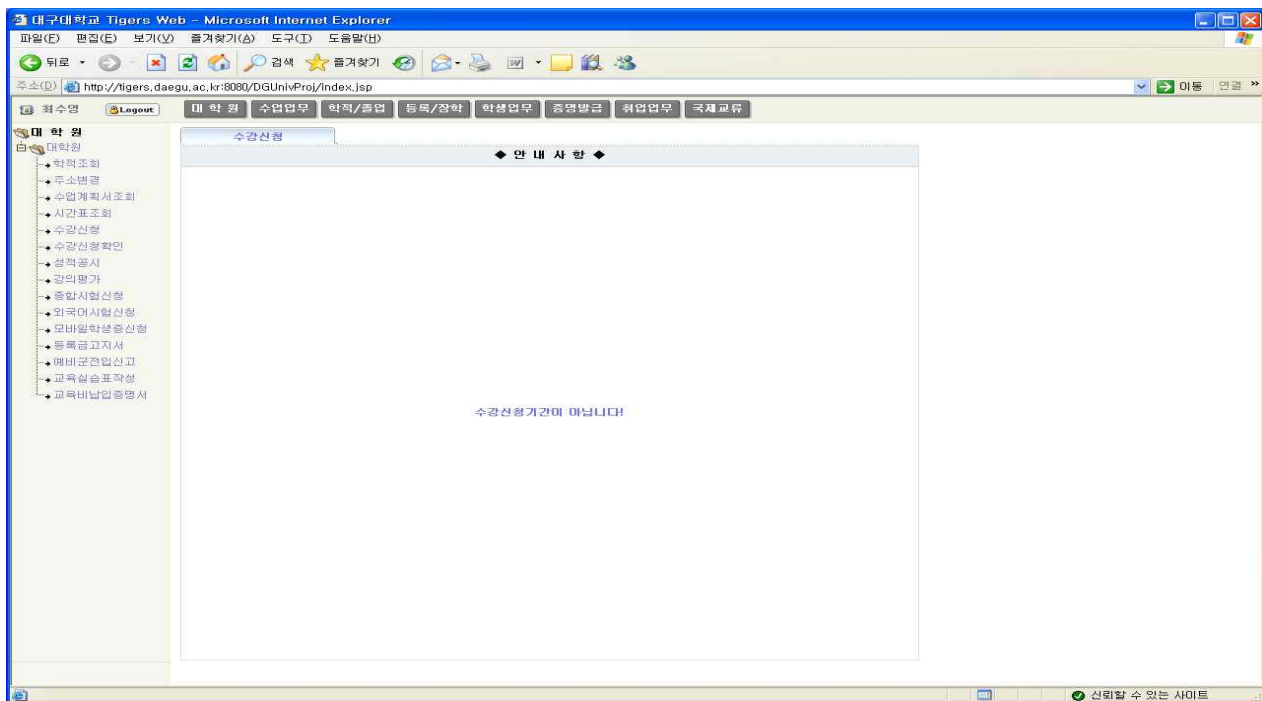

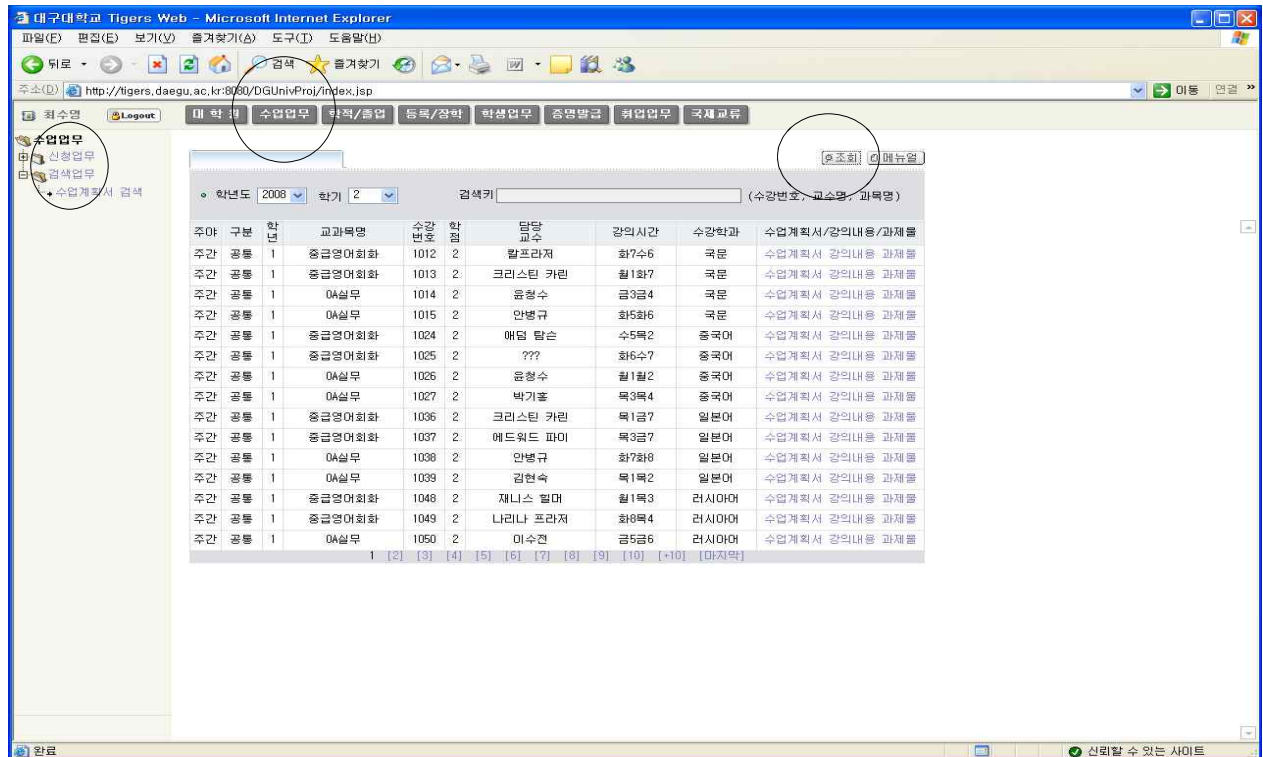

Figure 4) After reviewing the timetable, register for lectures by either dragging the relevant lecture to your timetable or inputting the lecture number directly

#### 4. Supplementary Lecture Registration Procedure

##### ▣ for Master Degree Program Students

Incoming master degree students who have different undergraduate majors from current majors must enroll and complete supplementary lectures from available undergraduate units.

(Figure 1) Access to "종합정보시스템 (Comprehensive Information System)" → Click on "수업업무 (Classes)" (top) → Click on "검색업무(Search)" (Left sub-menu) → Click on "조회 (Inquiry)" (Right top corner) → Locate the lecture numbers of the units you need to take → Return to the Graduate School lecture registration window and input the appropriate lecture numbers (Supplementary units must be entered directly by lecture numbers)

■ for Doctoral Degree Program Students

Incoming doctoral program students whose master's degree majors are different from current majors must enroll and complete supplementary lectures from available graduate units. Designated Graduate School supplementary units for each major are marked with an asterisk (\*).

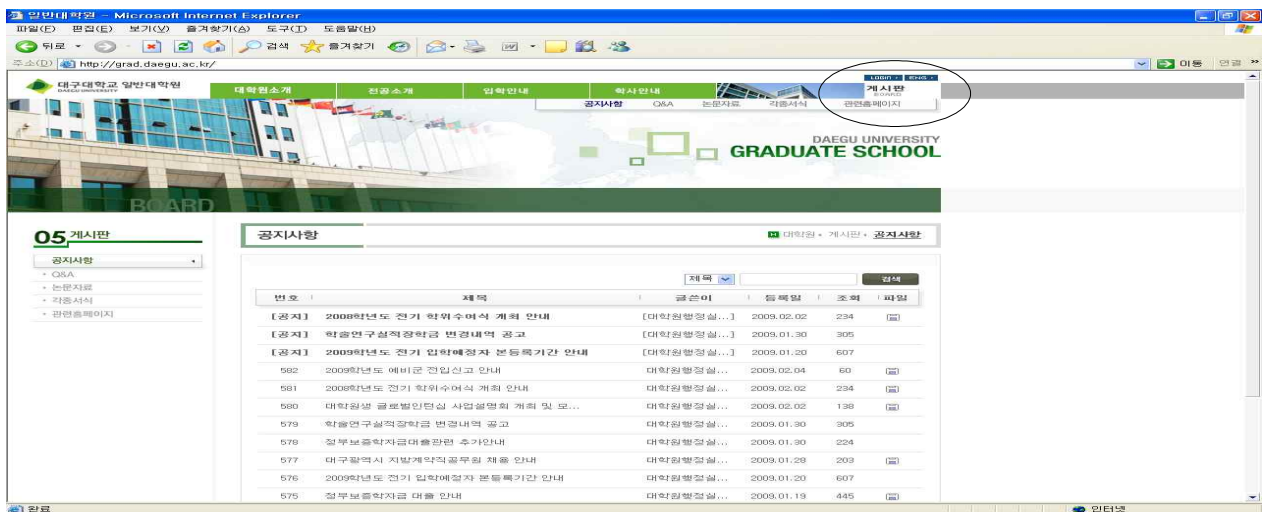

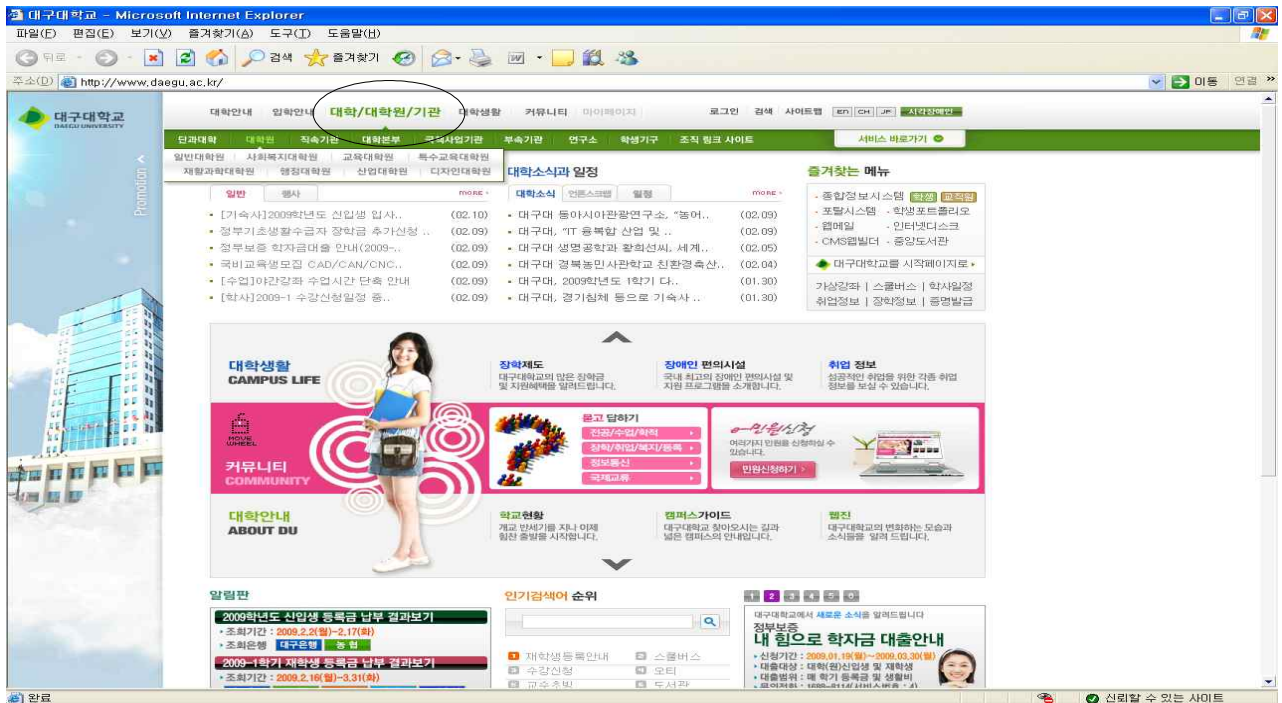

Please be informed that when master's degree programs students take lectures marked with an asterisk (\*), the lectures will not be considered as supplementary lectures.

**5. Registration Confirmation and Revision Period for freshman students:  
Friday March 5, 2010**

- ♣ Methods and procedures are the same as regular lecture registrations.

6. Incoming students are expected to attend lectures at the time and place described in the time-table. Building locations can be checked via Daegu University's homepage → Click on "대학안내 (University Guide)" → "캠퍼스 맵 (Campus Map)."

# Graduate School Web Site

## ■ How to connect ■

- ▷ Click on "대학/대학원" on Daegu University's main homepage (top) → Click on "대학원" → Click on "일반대학원" (<http://grad.daegu.ac.kr/>)
- ▷ "게시판 (Board)" - "각종서식 (forms)": Here you will find the various forms and documents required by the Graduate School including thesis forms, requesting or returning from leave, Transfer Credit Application for Supplementary Unit Credits form and so on.
- ▷ For more information such as Graduate School academic rules and regulations and thesis guidelines, please visit the Graduate School homepage.

■ **All announcements related to academic news and events at the Graduate School will be posted on the Graduate School homepage. Please visit the homepage on a regular basis in order to keep up-to-date with all the latest information.**

# Graduate School Academic Information

## ▣ Personal academic affairs management for incoming Graduate School students

Students at Daegu University's Graduate School are responsible for managing their own academic affairs. If necessary, they should seek advice from the relevant departmental head and/or thesis supervising professors. In addition, students are expected to monitor all matters related to the following: lecture registration, credits, and personal information changes (i.e. address, phone number, etc.). If students have any problems, students must consult with the Graduate School's administration office immediately.

### 1. Credits Management

Students are expected to manage their required credits per program themselves according to Graduate School academic rules and regulations related to academic affairs.

### 2. The maximum credits to take per semester

Degree	Supervised Individual Study (Thesis supervision)	Required + Major	Supplementary subjects (units)	Other
Master	1 credit (registration available beginning in the third semester)	9 credits	6 credits	
Doctoral	2 credits (registration available in the third semester)	9 credits	6 credits	

### 3. Required credits per degree

Master degree programs except for supervised individual study require at least 24 credits while doctoral degree programs require at least 36 credits. To receive credit, a score of at least 70 is required (grade C) in each unit of study and both degree programs require a Grade Point Average of at least 80 points (Letter grade B).

Degree	Supervised individual study	Required units	Major units (Including elective units)	Minimum credits for coursework completion
Master	PASS	3 credits	18 credits	24 credits
Doctoral	PASS	3 credits	27 credits	36 credits

- ♣ Students must complete Required unit including supervised individual study.
- ♣ Students whose undergraduate or master's majors are different from current majors must take additional 9 credits for master's degree program and 18 credits for doctoral degree program.
- ♣ Elective units refer to units that can be taken by students from other similar majors. Please refer to the Graduate School Office or each department office for more information.
- ♣ Credits for supervised individual study will be evaluated as Pass (P) or Fail (F)

### 4. Term of full enrollment

- Master degree program: 2 years
- Doctoral degree program: 2 years
- ♣ Students must be fully enrolled for at least four semesters.

### 5. Term of coursework

- Master degree program: 3 years
- Doctoral degree program: 5 years
- ♣ Students must complete their coursework within the above-mentioned periods.

## 6. Grading System

Letter Grade	Scores	Grade Point Average (GPA)
A	90 - 100	4.0
B	80 - 89	3.0
C	70 - 79	2.0
F	69 and below	0

- ♣ Credit will not be granted if students are absent for one-third of coursework in a semester without appropriate reasons.

## 7. Completion of supplementary units

### A. Students can check if they must complete supplementary units using the "학적조회 (Academic record reference)" in the "종합정보시스템 (Comprehensive information system)."

- (1) If incoming master degree students are from different undergraduate majors from their master degree program, they must obtain at least 9 undergraduate major credits as designated by the Graduate School Office.
- (2) If incoming doctoral students are from different master degree majors or who are from the special graduate school or professional graduate school with related majors, they must obtain at least 18 credits from designated supplementary units in their department curriculums.
  - \* the terms "Special Graduate School" and "Professional Graduate School" refer to those graduate schools falling outside the scope of each university's regular graduate school.

### B. Recognition of supplementary unit credits

If you have completed units from your previous education that are similar to the Graduate School's supplementary units, you can submit a "Transfer Credit Application for Supplementary Unit Credits" form. In this case, a maximum of 9 credits for master degree programs and 16 credits for doctoral degree programs can be transferred.

- ♣ Submission period of "Transfer Credit Application for Supplementary Unit Credits" form : **Tuesday March 2, 2010 - Friday March 5, 2010**
- ♣ Submit to: Graduate School Administrative Office (11th Floor, Seongsan Hall)

### C. Completion time

- (1) Master programs: Except for recognized transfer credits, students must acquire all required undergraduate unit credits before the completion of the degree program.
- (2) Doctoral programs: Except for recognized transfer credits, students must acquire all required designated supplementary unit credits from the available designated supplementary units before the completion of the program.
  - ☞ Designated Graduate School supplementary units are marked with an asterisk (\*).

### D. Maximum credits to take: Credits for enrollment in each semester can not exceed 6.

**E. Credit recognition:** Credits for supplementary units are not included when calculating students' GPA (grade point average).

### F. Other

- (1) Students must complete all applicable supplementary units prior to graduation.
- (2) If incoming students have submitted a "Transfer Credit Application for Supplementary Unit Credits" form, they should check the status of their application online. Visit the Daegu University web site and click "종합정보시스템 (Comprehensive Information System)" → "대학원 (Graduate School)" → "성적조회 (Results Inquiry)".

## 8. Information for taking or returning from a temporary leave of absence

- A. Application submission period: Refer to the annual academic calendar
- B. The duration of a single leave can not exceed 2 semesters and total leave cannot exceed 4 semesters.
- C. When the leave period is finished, students must submit an application to return from leave during the lecture registration period in each semester.
- D. Students who are willing to extend their leave without returning must submit an "Application for Leave Extension" form and get approval from the Graduate School dean.

### 9. Registration of changes to personal information and contact information

If there have been changes related to your personal and contact information such as residential address, occupation, phone numbers, etc, you are responsible for inputting the new data via Daegu University's homepage. "종합정보시스템 (Comprehensive Information System)" → "대학원 (Graduate School)" → "주소변경 (Address Revision)"

- ※ Keeping your contact information up-to-date is essential for doctoral degree program students. Doctoral students are required to register for research study after completion of their program. In order to receive a tuition bill for research study, students must ensure that their contact information is up-to-date. Research study is charged at 10% of regular tuition and must be completed at least once and to a maximum of four times.

### 10. Other

- A. Timetables will not be distributed individually and can only be checked online. This can be done via the Comprehensive Academic Administration System (종합학사행정시스템).
- B. To enroll in supplementary units, students must submit a "Recognition of Supplementary Unit Credits" form. Approved transfer credits will be deducted from total credits required.
  - ☞ For example, if 6 credits are approved and recognized as supplementary transfer credits in a master degree program students then just 3 credits remain to be completed.
- C. For more detailed information about thesis writing, please refer to Graduate School thesis regulations as well as the general thesis writing guidelines.

# Guidelines for Degree Thesis Submission

## 1. Selection of thesis supervising professor

- A. Thesis supervising professors must be selected within 6 months from admission to graduate school (prior to the end of their first semester).
- B. The change of thesis supervising professor is impossible. Ensure that you make your selection carefully and with discretion.

## 2. Foreign language proficiency examination and Comprehensive examination

In order to have a thesis considered for master or doctoral degrees, students must pass both the foreign language examination and comprehensive examination. For more information pertaining to these exams and other Graduate School academic regulations, please consult the Graduate School homepage.

### A. Foreign language proficiency examination

- Eligibility: Students who are registered for the regular term and for more than one semester
- Tested Language: English. For international students from English-speaking countries the foreign language proficiency examination will test Korean proficiency.
- Students with exceptional TOEIC, TOEFL, IELTS, or TOPIK scores who fall into one of the following categories are exempt from taking the foreign language proficiency exam. (The scores should be earned within two years before the beginning of the semester)

Department	TOEIC	TEPS	TOEFL			IELTS	TOPIK
			PBT	CBT	IBT		
Humanity and Social Science	750	625	550	210	77	6.0	5
Natural Science	700	583	513	195	71	5.5	5
Engineering	650	541	476	181	66	5.5	5
Arts & Design and Health Science	550	430	403	150	52	5.0	5

### B. Comprehensive examination

#### (1) Eligibility

- Master degree program: Students who have completed at least two thirds of credits (a minimum of 16 credits) required for graduation with a GPA over 3.0 (grade B)
- Doctoral degree program: Students who have completed at least two thirds of credits (a minimum of 24 credits) required for graduation with a GPA over 3.0 (grade B)

#### (2) Tested subjects

- Master degree program: Students select a Required unit and 2 types of major units and apply for the test. Students can apply for up to 2 units from the same professor.
- Doctoral program: Students select a Required unit and 3 types of major units and apply for the test. Students can apply for up to 2 units from the same professor.

## 3. Eligibility of submitting degree requesting thesis

For more information please refer to the Graduate School homepage ("주요학사안내 (Main Academic Information)" ⇒ "내규 (Academic rules and regulations)").

- A. Master degree program: Students who have completed registration on at least four occasions throughout the regular term and who have completed at least 24 credits.
- B. Doctoral degree program: Students who have completed registration on at least four occasions throughout the regular term and who have completed at least 36 credits.
- C. Students who have an academic average of at least grade B (3.0 GPA)
- D. Students who have passed both the foreign language proficiency examination and the comprehensive examination
- E. Students who have undergone supervision by their thesis supervising professor for a minimum of one semester
- F. Students who have passed their thesis proposal presentation and screening
- G. Students who have passed their thesis draft presentation and screening
- H. Students who have passed their degree requesting thesis presentation and screening

# Graduate School Scholarships

## 1. Outstanding Achievement in Foreign Language Scholarship

A. Application: please refer to the relevant notice in June and December on the Graduate School's web site.

### B. Eligibility

- Students are not eligible for the scholarship if their mother languages are related with one of the following tests. (English: TOEIC, TOEFL, TEPS, IELTS / Chinese: HSK, CPT / Japanese: JPT)

- Students who submit their official score reports of the following tests that are taken during their enrollment at the Graduate School, Daegu University.

- The scholarship is awarded only one time to students and they should be enrolled at Daegu University at the time of application for the scholarship.

### C. Tests and Scholarship

Classification	TOEIC	TOEFL		TEPS	IELTS	HSK	CPT	JPT	scholarship (KRW)
		CBT	IBT
